- English
- Urdu

ABOUT ME

I am a qualified and dedicated Web Developer with 1 year of hands on experience in website development and responsive design. I bring strong creative thinking, analytical skills, and a sharp eye for detail to every project. I thrive in collaborative environments and consistently aim to deliver clean, efficient, and user-friendly solutions.

WORK EXPERIENCE

Learn to Earn

2023 - 2024

- Designed and developed responsive and user-friendly websites using HTML, CSS, JavaScript, and Tailwind CSS
- Built full-stack web applications using React.js, Next.js, and Node.js/Express with MongoDB and PostgreSQL databases.
- Used Git and GitHub for version control and managed project repositories
- Worked on mobile UI components with React Native, contributing to cross-platform app development.
- Implemented REST APIs, user authentication, and real-time features using tools like Socket.IO and JWT.

CERTIFICATION

Successfully completed a Coursera-certified course in HTML & CSS, covering semantic markup, responsive design, and modern styling practices
